

SCHEDULE OF RATES

Ref. No.: NFL/PT/M/A/13.444

SUB.: Supply, Erection and Dismantling of Scaffolding Platforms during upcoming Annual Turnaround

Sr. No.	Item description	UM	Qty.	Rate (excluding GST)		Amount (₹) excluding GST
				In Fig	In Words	
1	Material Supply & Erection of Scaffolding inside the primary reformer Furnaces for refractory inspection and creep measurement of catalyst tubes in Ammonia Plant. (One no. = One furnace of Primary reformer i.e. either North or South)	No. (Lumpsum)	2			
2	Material Supply & Erection of Scaffolding Towers at different locations in Ammonia Plant up to a height of 6.0 mtrs.	Cubic meter	2000			
3	Material Supply & Erection of Scaffolding Towers at different locations in Ammonia Plant from 6 meter height up to 12 mtrs height.	Cubic meter	1500			
4	Material Supply & Erection of Scaffolding Towers at different locations in Ammonia Plant from 12 meter height up to 15 mtrs height.	Cubic meter	500			
5	Material supply, erection and dismantling of scaffoldings up to 6 meter height at plant platform and tower platform up to 10 Mtr elevation from ground level.	Cubic meter	500			
6	Material supply, erection and dismantling of scaffoldings up to 6 meter height at plant platform and tower platform from 10 meters and up to 20 Mtr elevation from ground level	Cubic meter	200			
7	Material supply, erection and dismantling of scaffoldings up to 6 meter height at plant platform and tower platform from 20 meters and up to 30 Mtr elevation from ground level.	Cubic meter	100			
8	Material supply, erection and dismantling of Scaffolding for one boiler (Lot)	LOT	4			
Total Value excluding GST						

NOTE: GST shall be paid extra as applicable
